IRVINE, CA, AUGUST 15, 2016 --- Kay Anderle, managing partner of the nationally recognized Irvine law firm of Keller/Anderle LLP, has been named by *Best Lawyers®* 2016-17 as a *Best Lawyer®* in the practice areas of white collar criminal defense, and general practice criminal defense.

*Best Lawyers®* is the oldest and most respected peer-review publication in the legal profession. A listing in [Best Lawyers®](#) is widely regarded by both clients and legal professionals as a significant honor, conferred on a lawyer by his or her peers. Receiving this designation reflects the high level of respect a lawyer has earned among other leading lawyers in the same communities and the same practice areas for their abilities, their professionalism, and their integrity.

With over two decades of experience and nearly 100 cases to jury verdict, [Kay Anderle](#) has earned a reputation as a leading trial attorney. She began her legal career 26 years ago in the Orange County District Attorney's Office where she spent 12 years prosecuting criminal cases. In 2004, Kay entered private practice as a criminal defense attorney, bringing with her an unparalleled perspective on criminal prosecutions. Her negotiation and trial skills have made her one of the most effective defense lawyers in Southern California.

[Keller/Anderle LLP](#), is among the premier boutique litigation firms in California. Jennifer Keller and Kay Anderle have over 250 jury trials between them. Unique among law firms handling high profile, bet-the-company cases of such a caliber is that both name partners are women, and the firm is women-owned. Among its clients are MGA Entertainment and its CEO Isaac Larian; Michael Ovitz, the Creative Artists Agency founder and former Chairman of the Walt Disney Company; Henry Nicholas, the co-founder of Broadcom; American International Group (AIG); MassMutual Insurance Company; and the McGraw Hill Companies (in *The United States v. The McGraw-Hill Companies*, the government's civil suit alleging that the rating agency Standard & Poor's improperly rated certain mortgage-backed securities).
