### Jennifer Keller named to nationwide 2018 list of “Top 250 Women in Litigation”

IRVINE, CA, JULY 2, 2018 --- Benchmark Litigation has selected Jennifer L. Keller for its annual nationwide list of the “Top 250 Women in Litigation.” Keller is a nationally prominent trial attorney at Keller/Anderle LLP in Irvine. She was previously selected for the award in 2017.

Keller tries complex business and white collar criminal cases and is one of the state’s most highly regarded trial lawyers (i.e., *Daily Journal’s* “California’s Top 100 Lawyers,” *Benchmark Litigation’s* “Top 100 Trial Lawyers in America,” *Lawdragon’s* “500 Leading Lawyers in America,” Top 10 Southern California Super Lawyers, etc.). Her firm, Keller/Anderle LLP, is consistently recognized as one of the premier boutique trial law firms in the state (i.e., *Daily Journal* “Top Boutiques” and *U.S. News - Best Lawyers®* 2018 “Best Law Firms” Commercial Litigation Tier 1 ranking in Orange County).

[According to Benchmark Litigation:](#) “The Benchmark Litigation ‘Top 250 Women in Litigation’ is the definitive guide to the country’s leading female litigators. This publication’s extensive research process, which encompasses six months of investigation

into the individual litigators' professional activities as well as client feedback surveys and individual interviews, has culminated in the selection of the country's most distinguished women in the world of litigation. These women have earned their place amongst the nation's leading female litigators by participating in some of the most impactful litigation matters in recent history as well as by earning the hard-won respect of their peers and clients. Though they hail from widely different practice areas, they all share the distinction of being recognized as top players in their respective fields. Attorneys named to the 2018 publication were chosen through several phases of research: namely, the review of their recent case work, peer review in which Benchmark Litigation considers how attorneys at peer legal institutions might rank them, and a consideration of client feedback on their performances."
